To The Members of MPWWA,

Everyone here at the Community Autism Centre would like to take a moment to thank you all for the opportunity to be a part of the opening and Stay Til The End of your conference.

It was such an encouraging time for Deb, Sue and I to share what we do and to know that we have the support of those who were in attendance. It was also so encouraging to us as various people in attendance came up to personally speak to us, share stories and offer encouragement. Numerous times I found myself wiping away tears as we received those encouraging words.

The generosity of MPWWA blew us away. Thank you so very much for the proceeds of the auction.

Another heartfelt thanks goes out to Michael Arenburg from Lunenburg, NS for donating his \$600 prize from the Stay Til The End draw. We were floored by Mr. Arenburg's generosity and encouragement. Thank you again!!!

MPWWA does such a good thing by choosing a 'grass roots' charity to support. Keep doing what you do! It is so very much appreciated so we can keep doing what we do. Thank you for believing in us!

Sincerely,

Deb McDonald
